

IEEE Journal of Electromagnetics, RF and Microwaves in Medicine and Biology (J-ERM)

Call for Papers for the China Microwave Week 2020 Special Issue

The IEEE Journal of Electromagnetics, RF and Microwaves in Medicine and Biology (J-ERM), sponsored by IEEE MTT-S, AP-S, and EMBS societies and Sensors Council, will publish a special Issue devoted to the 2020 China Microwave Week (CMW 2020), including the 2020 IEEE MTT-S International Wireless Symposium (IWS) and the 2020 International Conference on Microwave and Millimeter Wave Technology (ICMMT). Authors of all papers presented at IWS 2020 and ICMMT 2020 are invited to submit an expanded version of their papers to the special Issue. The expanded version requires that the new technical content should be reported beyond the IWS 2020 or ICMMT 2020 paper. Every paper will be reviewed in the same manner as all other regular submissions to this journal. Information of the journal can be found at <http://ieee-jerm.org>.

The focuses of the journal are on unifying the sciences and applications of medicine and biology related to utilizing electromagnetics, radio frequency signals and microwaves/millimeter-waves. If you are doubtful whether your paper is suitable for J-ERM, please write to the editors at jermcmw20@outlook.com. Authors should be reminded that the overlap of texts cannot be more than 15% and the content should not be more than 40%.

Please note that:

1. Papers should be submitted through the journal's web page <http://ieee-jerm.org> leading to ScholarOne Manuscript Central.
2. In the menu for "Manuscript Type", please select "CMW 2020 Special Issue". The submission window will open after the conference.
3. Manuscript is limited to 6 pages maximum without counting the first (Visual Summary/Take-Home Messages) page, citation pages, and bio-sketch pages. The first page should include a figure for Visual Summary and Take-Home messages in bullet-points.
4. The conference paper should be included with the submission as well.
5. The following note should be added to the footnote textbox on the second page: "This paper is an expanded paper from the one presented at the IWS 2020 (or ICMMT 2020), Shanghai, China."
6. The guideline and template for manuscript preparation can be found on the J-ERM webpage.

The due date for the paper submission is **February 28, 2021**. The expected publication date of the special issue is **July 1, 2021**. The journal is in electronic format so the accepted paper will appear in IEEE Xplore within a few days after acceptance.

If you have any question, please contact us at jermcmw20@outlook.com.
